Turkey's Erdogan says U.S. proposal to drop Russian defenses not right: NTV

Turkish President Tayyip Erdogan said that a U.S. proposal for Ankara to get rid of the Russian S-400 missile defenses it purchased is not right and an infringement of sovereign rights, according to broadcaster NTV.

Utah's Great Salt Lake is drying out, threatening ecological, economic disaster
Utah's Great Salt Lake dropped to its lowest recorded level this month amid a two-decade drought, a grim milestone as researchers and politicians point to grave threats to wildlife and people along its receding shores.
